Why ECCO ?

Why Ecco when you can buy similar products from other providers, or just directly from China ?

Well, ECCO is not just a name imprinted on some of our products. ECCO isn't just a private label somebody made up .
ECCO started as the result of a quality controlled manufacture. Later on it became a Quality mark . Today is our signature .

* Most of ECCO products have at least 3 manufacturers to assure the quality of the end product
* There is no contract with any special manufacturer.
* A quality control settled in China before shipping to the US is our big difference
* The warranty is based in the US, and US DENTAL DEPOT is responsible for the terms in the warranties

ALL ECCO BRANDED, OR STAMPED PRODUCTS, REGARDLESS OF POINT OF ORIGINA AND THE MANUFACTURER, ARE BACKED BY THE US DENTAL DEPOT CERTIFICATION OF QUALITY CONTROL, AS WELL AS OUR DIRECT WARRANTY SERVICE AND OUR FREE TECHNICAL SUPPORT IN 2 LANGUAGES, ON THE PHONE OR BY EMAIL.
